PRESIDENT'S MESSAGE

Bill Turpela

Well, we had another great meeting and an excellent turnout last month. Our speaker was outstanding. If any of you see Irv, be sure to tell him "thank you". He is not a NUTS member, so we will just have to thank him in person. I hope you enjoyed him. I know that I sure did.

We are planning on having a real neat video on the Utah Pioneer Jubilee display that was at the UNS coin show last September. So if you missed it, you have a second chance. I have seen the display, but not the video, so I am looking forward to seeing it again.

Also, take note that the club meeting is early this month because of the Thanksgiving holiday. So mark the 20th of November on your calendars for the NUTS meeting.

We have had good weather, so I am sure that a lot of you have been out detecting. Thus, we should have real good Find of the Month items for November. However, remember that the November meeting will be the last Find of the Month competition until next spring. I am looking forward to seeing all of the neat stuff. I understand that we are going to be making some rule changes for next year's Find of the Month competition, so look for them in future newsletters.

We also have to vote for the new club officers for the upcoming year. So if you or someone you know is willing to be an officer, please let the club members know at the November meeting. The nominations for club officers from the October meeting are on page 4.

We are also starting early on next year's club medal, so put your talent down on paper and we will vote on the designs in the near future (see entry form on page 5). The deadline for entries is the December meeting/Christmas Dinner.

Additionally, we are in need of a 1996 silver club medal for the club archives. So if you or anyone you know has one that they are willing to sell, please let me, Bob Campbell, or George Wilson know or bring it to the next meeting.

Also, the club Christmas Dinner will be at the same place as it has been for the last few years. This year it will be in the evening of Monday, December 29th. You can't miss it. Be there or be square.

Enough said. See you all at the November meeting.

Bill

N.U.T.S. MEDAL DESIGN 1998

N.U.T.S. Members!! It is time to submit your designs for the 1998 club medal. There is no specific theme required for the medal. Photographs may be used for a design, as well as artwork. If a photograph is used, it needs to be sharp and clear with distinct lines. For example, pictures of buildings work well. Remember, permission must be obtained for copyrighted material.

THE DEADLINE FOR ENTRIES IS THE DECEMBER CLUB MEETING.
